Mrs. Padelford, nee Miss Ordway, thinks of going to the Greenbrier White Sulphur Springs for a few weeks. Mrs. Padelford appeared in comic opera in quite a number of western cities this spring and was very favorably criticised for her singing and acting. Next season she will likely join one of the leading opera troupes, several propositions having been made her by managers, which she has under consideration.

HYDRAULION S. F. E. Co.—There was a large attendance at the called meeting of this company last night. The President laid before the meeting a communication from the secretary of the board of fire wardens, notifying the company of the removal of Mr. Joseph H. Young from the post of engineer, and urged upon the members the necessity of united action and cheerful submission to the decision of the majority. Messrs. Wm. Bantz, Philip Dwyer and Joseph H. Young were then placed in nomination, and on the second ballot, Mr. Bantz was nominated by a vote of 21 to 11. On motion of Mr. Young the President was directed to request the wardens to appoint Mr. Bantz engineer.

INQUEST.—On yesterday Justice R. C. Triplett, of Mount Vernon Township, Fairfax county, held an inquest upon the dead body of an unknown white man, found in the Potomac river, near the White House fishery. The body was very much decomposed. No papers were found. The man's age was about 25, his height 5 feet 4 inches, weight about 130 pounds. He wore black pantaloons, with fine blue stripes; black vest buttoned high; black silk necktie, with horse-shoe pin, set with green and red glass; white overshirt with small red lines; white flannel under-shirt, high-laced calico shoes, worn at toes. The body was placed in a rough-made case and buried near where found.

He was a member of the Alexandria Light Infantry.

If disease has entered the system the only way to drive it out is to purify and enrich the blood. To this end, as is acknowledged by all medical men, nothing is better adapted than iron. The fault hitherto has been that iron could not be so prepared as to be absolutely harmless to the teeth. This difficulty has been overcome by the Brown Chemical Company of Baltimore, Md., who offer their Brown's Iron Bitters as a faultless iron preparation, a positive cure for dyspepsia, indigestion, kidney troubles, &c.

ARE YOU MADE MISERABLE BY INDIGESTION, CONSTIPATION, DIZZINESS, LOSS OF APPETITE, YELLOW SKIN? Shiloh's Vitalizer is a positive cure. Sold by E. S. Leadbeater & Bro.

A Woman's Discovery.
 "Another wonderful discovery has been made and that, too, by a lady in this county. Disease fastened its clutches upon her, and for seven years she withstood its severest tests; but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. K. New's Kidney and Bladder Remedy, and was so much relieved on taking the first dose that she slept all night, and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamrick & Co., of Shelby, N. C.

Look Out for Them.
 The great reputation my spectacles and eye glasses have attained throughout the U. S. has led unscrupulous persons to counterfeited them. There are none genuine unless the name of Hawkes is stamped on the frame, and I would respectfully announce that I positively employ no peddlers.

At a meeting of clerks held at 413 King street, the following preamble and resolutions were adopted:

Resolved, That a number of merchants of this city agreed to close their places of business at 6 p. m. from June 3d, 1889, to September 15th, 1889, Saturdays excepted, in order to allow their employees a few hours' recreation during the heated term; and whereas the compact has been and would be faithfully kept by all the signers except Mr. Kaufmann; therefore be it

Resolved, That we, the employees, condemn and deplore the action of the said Mr. Kaufmann in first signing and then breaking the agreement.
 Resolved, That we request the good people of Alexandria to put their seal of condemnation upon the action which has caused the employees to be deprived of this great boon by refraining from shopping after six.

Resolved, That we request our friends to show their appreciation of the liberality of the majority of the merchants by patronizing those who are in favor of early closing.

Resolved, That these resolutions be published in both of the daily papers.

LOCAL BREVITIES.

There was another heavy rainfall yesterday evening and last night.

The Confederate mound in Christ Church yard was strewn with flowers this evening.

Mrs. Fayette Brent, who was well known in this city, died at her home, near The Plains, Fauquier county, yesterday evening.

Another movement is on foot in Washington to secure the substitution of a higher and better bridge for the Long bridge across the Potomac.

Attention is called to the advertisement of Pretzfelder & Co. in another column.

This firm, owing to the lateness of the season and the continued inclemency of the weather, has succeeded in purchasing a lot of white goods at a sacrifice, which they will place upon their counters next week. The prices are extremely low and the goods very pretty. A visit to this store will convince all that such bargains are very rare.

The city tax collectors, who have to settle their accounts for the last year before they are given the tax bills for the present year, are busy now making their last rounds. In several instances attachments have been made on the property of delinquents, and yesterday a citizen was arrested for resisting the collector. On being taken before a magistrate the citizen was fined and shown that the collector was simply performing his duty.

The teachers and scholars of the Methodist Protestant Sunday school who went on an excursion to River View yesterday, arrived here last night in a drizzling rain.

Out-door services will be held to-morrow evening at 6:30 o'clock at the corner of Henry and Orange streets.
